THE PORTRAIT RESTAURANT

Welcome

From historic palaces, skyscrapers, to museums and everywhere in between, we have over 175 years of experience in bringing fantastic events to life.

The Portrait Restaurant, which sits on the fourth floor at the top of the newly refurbished National Portrait Gallery, has been re-designed by International and luxury design studio Brady Williams and overlooks Trafalgar Square and the Houses of Parliament.

The perfect location for hosting memorable occasions, whether you're planning a standing canapé reception, an intimate dining experience with friends and family or an all-out exclusive celebration.

We are thrilled to present our vision for your event on the following pages and are very much looking forward to working with you.

Kind regards,

The Portrait Restaurant
