Marilyn Monroe: A Portrait

National Portrait Gallery
4 June - 6 September 2026

In celebration of the Hollywood star's 100th birthday and in association with the Marilyn Monroe estate, Marilyn Monroe: A Portrait will explore the life, career and legacy of Marilyn Monroe through portraits created by some of the greatest photographers and artists of the 20th and 21st centuries.

From the earliest 'cheesecake' pin-ups made when she was a young model named Norma-Jeane, to the most poignant final photographs taken on the beach in Santa Monica in 1962, Marilyn Monroe was one of the most photographed people in the world. A defining presence in popular culture, she captivated audiences with performances in much loved films such as *Some Like it Hot*.
